

Name _____

Writing Robot

The Head: One opening sentence.

A rectangular box representing the robot's head. It contains a set of primary writing lines: a solid top line, a dashed middle line, and a solid bottom line. The box is decorated with two antennae at the top corners and two circular eyes on the sides.

The Body: Three supporting sentences.

A large rectangular box representing the robot's body. It contains three sets of primary writing lines (top solid, middle dashed, bottom solid) for three supporting sentences. The box is decorated with two arms on the left side and two legs on the right side.

The Feet: One closing sentence.

A rectangular box representing the robot's feet. It contains a set of primary writing lines (top solid, middle dashed, bottom solid) for one closing sentence. The box is decorated with two feet at the bottom corners.
